LIFE-ON-LIFE INTERCULTURAL COMMUNITY

We focus on **spiritual and character formation** – inward before outward, private before public.

We value and celebrate the **diversity of Christ's global Body** – learning how to serve as a unified family on the mission field.

We believe learning happens best in **reflective communities of practice**.

HANDS-ON MISSION AND MENTORING

Two days a week you will engage with content designed to shape you as a disciple-maker, taught by a diversity of experienced leaders. The rest of the week is focused on applying this content through ministry among Muslim migrant unreached peoples.

We seek to provide experienced, heart-language mentors for you to process how God is shaping you through community, the content, and hands-on ministry.

You will be coached in various strategies and skills for starting church planting movements as you serve on an intercultural team.

DISTINCTIVELY PIONEERS

Pioneers mobilises teams to glorify God among unreached peoples by initiating church planting movements in partnership with local churches.

Global Disciples brings together people from across the Pioneers global family to grow and release well-formed disciple-makers into whatever God has next for them.
